

3rd Annual

TURNER'S TOY DRIVE

Now is the time to donate new, unwrapped toys for the boys and girls at Seattle Children's Hospital Cancer Ward.

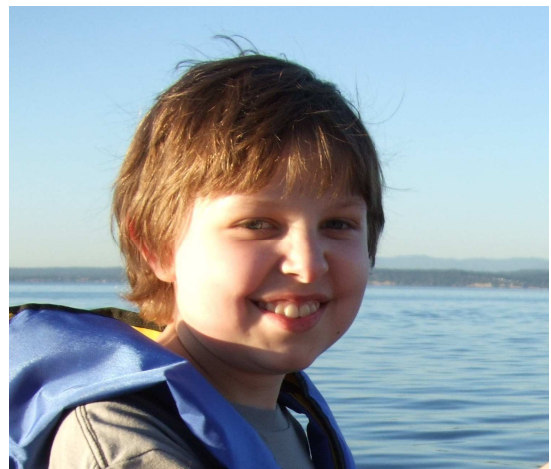

The past two year's drives were very successful thanks to all the donations and brought cheer to the kids whose holidays were spent confined to the hospital.

Turner is grateful to the IBEW and all the community members who help out the toy drive. He was at one time a patient in the same situation, so this is very close to his heart. The toys will be delivered by Turner Patterson and his family once again.

Please contact Travis Patterson at (425) 923-7743 with any questions.
